About Bharati Vidyapeeth

Bharati Vidyapeeth, the parent body of Bharati Vidyapeeth Deemed to be University – Pune, was established in May, 1964 by Hon'ble Dr. Patangraoji Kadam with a clear objective of bringing about intellectual awakening and all round development of the young generation through dynamic education. Bharati Vidyapeeth proudly boasts of having the privilege of 187 educational institutes of academic excellence under its wings, imparting education from preprimary to research level. The credit for this spectacular achievement is due to the foresight and exceptional leadership of the founder Hon'ble Dr. Patangraoji Kadam. Besides, the educational institutes, Bharati Vidyapeeth is also successfully running a Cooperative Bank, Cooperative Sugar factory, Charitable Hospitals and Research Centres.

Bharati Vidyapeeth University –Pune

In recognition of its academic excellence, Government of India granted the status of “Deemed to be University” on 26th April, 1996 to a cluster of 12 institutions of Bharati Vidyapeeth. It is one of the few Universities which has under its umbrella, diverse disciplines such as Management, Medicine, Law, Engineering, Science, Arts, Commerce, Pharmacy, Architecture and Social Sciences. The academic and functional autonomy has empowered the University to be dynamic, innovative and progressive. The Association of Indian Universities has positioned it in the bracket of ten best universities in India and India Today has ranked it as one of the top 50 Universities in India. At present, there are 29 constituent units of higher learning under its fold.

Objective of Faculty Competency Development Workshop (FCDW)

Training the trainers is unconventional but today changes are taking place in all spheres of life at a fast pace. Technology is providing new platforms and media of communication, presentation, transfer of knowledge; bringing vast knowledge and cognitive resources within our reach as well as the students who are to be taught.

The challenge is not only to optimally tap these avenues but also to keep ahead by judiciously adopting the right mix of technology, communication tools, knowledge and prepare the students for tomorrow. It is evident that faculty should upgrade its knowledge and skills in today to meet the challenges of uncertain tomorrow.

Realizing the need of the time, the present workshop aims at imparting experiential learning in preparing research proposals, curriculum design, Google class room, student engagement, academic leadership, case development & analysis etc. The participants will be exposed to the background and fundamentals of these topics. They will also be trained and taught, how to continuously assess and evaluate their students' learning in order to guide and manage the teaching process for better student learning.
